## About Us

Warner Industries is a leading manufacturer and exporter of High Security Seals and Electronic RFID Bolt Seals.

Warner Industries, established in 1997, is engaged in the manufacture and export of security seals. Over the years, we have emerged as a market leader in India due to our ability to deliver tailor-made solutions for each of our client's specific needs.

Our precision engineering, 24/7 customer support, tamper-evident design and guaranteed quality at competitive prices have nurtured longstanding relationships with our Indian and Global clientele.
